Dear Friend,

Farmington cares! Since 1931 the Farmington Community Chest, or FCC, has worked to improve the health, educational opportunities and community life for all residents of Farmington. FCC has only made these accomplishments through your generous financial contributions and local grants. As a completely volunteer managed organization, FCC is able to use every dollar of your donation to support programs and activities that benefit our community. Some of these programs include:

Farmington Fuel Bank
Educational Scholarships
Summer Camp Assistance
Capital Projects

Direct Aid
Community Support
Oasis Veteran Center at TCC
Farmington Cares Day

Every May the FCC sponsors our annual Farmington Cares Day where neighbors help neighbors. Volunteers work throughout the town on landscaping, repairs, cleaning and housekeeping tasks for our elderly and disabled.

This year our fundraising goal is \$25,000. Your generous contribution, along with those of your neighbors, allows us to reach this benchmark and FCC to help groups and individuals. Community fundraising is essential because it provides the means to support critical community programs, as well as connecting residents of the town to community improvement efforts.

There are many ways that you can help FCC directly improve the life of your neighbors, including: your financial contributions, volunteering, matching gifts from your employer, designating FCC on United Way donations, using smile.amazon.com when making purchases, and attending our annual wine tasting event in November.

Please visit our website at www.farmingtoncommunitychest.com for more information or to make a secure donation directly through our PayPal link. Your support makes all the difference in our community!

Thank you in advance for your 100% tax deductible financial contribution to our 501(3)(c) organization (Tax ID # 06-1347303). Please help us help others!

Sincerely,

Amy Palumbo
