Dear Friend,

Community Chest cares! Since 1931 the Farmington Community Chest has worked to improve the health, educational opportunities and community life for all residents of Farmington and Unionville. We have accomplished this through the generous financial contributions of our citizens and local grants. As a 100% volunteer-managed organization, Farmington Community Chest can use every dollar of your donation to support programs and activities that benefit our community. Examples of these programs include:

- | | |
|---------------------------|-------------------------------|
| Educational Scholarships | Direct Aid to local families |
| Farmington Fuel Bank | Services for the Elderly |
| Farmington Youth Services | Tunxis Senior Citizens Assoc. |
| Summer Camperships | New Horizons Village |

This year our fundraising goal is \$25,000. Your generous contribution, along with those of your neighbors, allows us to reach this benchmark and enable Farmington Community Chest to continue supporting groups and individuals. Community fundraising is essential as it provides the means to support critical community programs, as well as connecting residents of the town to community improvement efforts.

There are many ways that you can help us directly improve the life of your neighbors, including: your financial contributions, matching gifts from your employer, designating Farmington Community Chest on United Way donations, using Smile.Amazon.com when making purchases, and attending our **11th annual wine tasting event scheduled for March 31, 2023.**

Please visit our website at www.farmingtoncommunitychest.com for more information or to make a secure donation directly through our PayPal link. Your support makes all the difference in our community!

Thank you in advance for your 100% tax deductible financial contribution to our 501(3)(c) organization (Tax ID # 06-1347303). Please help us help others!

Sincerely,

Ken Brickner
